

## Inga and Zoya were interviewed by Playboy Radio

On April 21<sup>st</sup> Anastasia's Ladies Inga from Moscow and Zoya from St. Petersburg visited co-hosts Andrea and Kevin of Playboy Radio in Los Angeles...

**Kevin:** Here are some of the guys that are looking for these women:

**Man in video interview:** *"I've been separated over 2 1/2 years. You want somebody to spend the second part of your life with in the best way possible. I think I deserve it. I deserve a second love."*

**Kevin:** So real Mexican guys that are going over there. Some of that...and this thing is very interesting. I don't know if these women are gonna explain it but I think what happens is that...

**Andrea:** What's that?

**Kevin:** These guys sign up for a website.

**Andrea:** Yeah.

**Kevin:** Then they go over to Russia

**Andrea:** Uh-uh!

**Kevin:** They have a beauty Pageant. The guys get to watch the Beauty Pageant and then they write down who they like or something. I don't how much of this applies to this site but in the documentary I saw then the guys get to meet the women and talk to them...

**Andrea:** You're right.

**Kevin:** ...and find out if they have any sort of a.....

**Andrea:** Chemistry?

**Kevin:** – Chemistry. And then there's like some potential, rumored mob involvement and I think this site [Anastasia], its job is to keep it on the up and up, I think.

**Andrea:** Absolutely!

**Kevin:** They're trying to keep it professional.

**Andrea:** People are looking for love.

**Kevin:** – Yeah.

**Second man in video interview:** One of these days I'll walk round the corner and I'll run into her. And I'll know it. And she'll know it. And we'll come back to the United States and then I'll just come over here for a vacation with my wife.

**Kevin:** A lot of these guys are romantics. They just want to meet a beautiful woman.

**Third man in video interview:** My hope would be to meet somebody that I could have a serious relationship with.

**Kevin:** See a lot of these guys aren't just looking to get laid. We've got these women that have come all the way, thousands of miles to chat with us today.

**Andrea:** Yay!

**Kevin:** And explain what is going on. And answer questions about what to look for in a Russian bride. I don't think these women are married, correct?

**Andrea:** They're both single.

**Kevin:** Maybe they're looking right now for a listener of the Playboy morning show that wants to spoil their very own Russian bride

**Andrea:** Oh, nice

**Kevin:** This is Inga and Zoya.

**Andrea:** Oh yeah.

**Kevin:** Coming into the mini-mansion right now all the way from the other side of the world.

**Andrea:** Oh, wow! Looking divine! Hot little mini-skirts.

**Kevin:** Wow, ladies! I'll marry both of you! Right now at the same time! These women must know, the first trick they must know that American guys love legs because they're both showing off their beautiful legs.

**Andrea:** Hello beautiful women!

**Zoya:** Good morning Andrea and good morning Kevin.

**Kevin:** It's good to see both of you!

**Andrea:** Oooo...Good morning!

**Kevin:** Oh that's very nice, yes indeed, ladies! I like it how they both sat down and neither one of them crossed their legs. That's a good sign.

**Zoya:** Thank you so much.

**Kevin:** Ladies, um, how much of what I just said is accurate? Like, I don't understand. I saw this documentary and it showed a beauty pageant, it showed a contest, it showed men coming over to meet the women, is that stuff going on or are you guys a different thing altogether?

**Zoya:** You can do different things on the website. You can just write emails to the men that you like. Or the men write emails to you. Also you can do Live Chat which I like a lot because you can use video and you can see somebody and you can chat but you can't give the information about your email address or whatever, this permission, you can't exchange.

**Kevin:** You cannot exchange, right?

**Zoya:** No you cannot.

**Kevin:** Now when I hear that you can't exchange information I think that this thing is...I always think it's shady. Or like what's going on? Is there a guy? Somehow I'm talking to some dude in Russia. This is really you girls, right?

**Zoya:** Yeah because...I'll explain it to you. If you want to register on the website you need to go to the interview with a manager of the website.

**Andrea:** Right.

**Zoya:** You need to bring your papers, your passport, all the information, your pictures. They will look at you, they will talk to you. They will check your background and only after that they will post your profile.

**Andrea:** Wow!

**Zoya:** And also they like check you all the time. They call you and they ask you to confirm the information.

**Andrea:** Really? So it's intense?

**Zoya:** Yes, they can call you like once a month to ask you what did you write to this guy or that guy. So you really need to know what is going on the website with your profile, who you're talking to.

**Kevin:** Inga, you're in the country, you're single right now?

**Inga:** Yes.

**Kevin:** But you're looking for an American man, is that what you want?

**Inga:** Yes, I look for an American man.

**Kevin:** Yes, I am American!

**Andrea:** What do you look for in a man, Inga?

**Inga:** Excuse me?

**Kevin:** What qualities do you like a man...an American man to have?

**Zoya (to Inga):** Что ты хочешь от мужчины американского? (What do you want from American men?)

**Kevin:** Ooh...

**Inga:** At first I look man for love.

**Kevin:** For love first? Love is first?

**Inga:** Yes. Also serious...I think everybody wants handsome with sense of humor. Something like this...

**Andrea:** So hot and funny!

**Kevin:** Right. Now when you came all the way here looking for a funny hot man and you stumbled right here into the mini-mansion...

**Andrea:** Hahahaha!

**Kevin:** ...Am I disappointing? I mean is this worth the trip?

**Andrea:** Is this it?

**Kevin:** Are you upset you got a one way ticket when you look at this?

**Inga:** Yes.

**Zoya (to Inga):** Он тебе нравится?

**Kevin:** Oh, she's upset.

**Andrea:** Hahaha...She likes you.

**Kevin:** No I think she said she was upset.

**Andrea:** No I think she likes you, she's smiling at you.

**Zoya:** No, she told me she likes you. She told me she likes you. She just answered yes because she likes you.

**Kevin:** Oh, yes because she likes me.

**Zoya:** Yeah

**Kevin:** Now...now, ladies...would you ever.....

**Andrea:** Kevin just sat up all proper. Hahaha!

**Kevin:** Stop it Andrea. Would you ever both marry the same man? Any...any situation where it's two wives for one man or no?

**Zoya:** No way...no way.

**Kevin:** No, never.

**Zoya:** No.

**Kevin:** You want your own man.

**Zoya:** Yes, I want my own man.

**Kevin:** Is the goal here like.....family? Is it uh...you want to have a credit card? What is it you're looking for?

**Zoya:** I'm looking for a man for marriage with whom I can have children because I really want a lot of children. And I want to live in a big family with brothers and sisters, parents, grandparents, aunts and uncles. I want to have a huge house.

**Andrea:** Oh...And you can't get that in Russia or the Ukraine? Like I don't understand, men are just different over there? They don't want that?

**Zoya:** I mean they want but there's a statistic and it's official information that there's 16% more women than men in Russia. So it's one million women is like can't find a man there.

**Andrea:** Uh-huh.

**Zoya:** And also nowadays you can travel abroad. We're not in the Soviet Union anymore. So we can go around and if you go to travel you have more market you know, you have more opportunities to choose and to make a better deal.

**Andrea:** Right.

**Zoya:** So this is why we like.....Russians everywhere we travel and we.....

**Kevin:** Russia sounds like a party at the Playboy mansion...they've got a very heavy girl to guy ratio. There's too many women. There's horny women running through the streets of Russia, right?

**Zoya:** Yeah.

**Kevin:** And they can't find men. I mean you two are both beautiful women. You have great bodies.

**Andrea:** Yeah.

**Kevin:** And, and.....you can't, there's just no men!

**Zoya:** No I mean you can find men but you can look more. You know. Why to stop only in Russia if you can check men in Great Britain, America...

**Andrea:** Right.

**Zoya:** Germany, France.....everywhere. So while you're young you can have opportunity to date with different people. And then you will choose whom you like. Maybe it's Inga who chose an Italian man once.

**Inga:** Yeah.

**Zoya:** I've been dating two men from Great Britain.

**Kevin:** You are dating two men from Great Britain right now?

**Zoya:** No. I'm single. I was dating before.

**Kevin:** Oh. You were. And you dated – Inga – an Italian man?

**Inga:** Yes, with Italian man...

**Kevin:** They're very horny those Italians, yes, right?

**Inga:** Yes.

**Andrea:** Hahaha!

**Kevin:** Did you ever consummate the relationship with the Italian?

**Andrea:** Sex.

**Zoya (to Inga):** А у вас были отношения сексуальные? (And did you have sexual relations?)

**Inga:** Yes, I meet with him 3 years.

**Kevin:** Three years you were with him?

**Inga:** Yes, three years.

**Kevin:** And the sex was good?

**Inga:** Sex normal.

**Kevin:** It was very good?

**Inga:** Uh-hum.

**Kevin:** And how 'bout the Great Britain men?

**Inga:** Er...I want to keep it personal 'cos I think a woman should have mystery and I don't want to talk about that in public.

**Kevin:** Now let me ask you this though. Because America...I thought the goal...the number one goal is to meet an American man. But where...

**Andrea:** Right.

**Kevin:** How does the system rank like if you end up with American man and she ends up with a guy from Jamaica.

**Zoya:** Yeah.

**Kevin:** Are you like "Oh, man, she got stuck with the Jamaican dude".

**Zoya:** No I mean it's possible you know in America it's a multicultural country.

**Andrea:** Right.

**Zoya:** I have a friend from my school and we were the best friends and she's married in America with an Indian guy.

**Andrea:** Right.

**Zoya:** So...

**Kevin:** An Indian guy?

**Zoya:** An Indian guy.

**Andrea:** Kevin, my husband's Korean.

**Kevin:** That's right.

**Andrea:** And he's American.

**Kevin:** That's a good point.

**Andrea:** See?

**Kevin:** I didn't think about that...

**Zoya:** So in America you can meet anybody...Italian, French people.....Russian...

**Andrea:** Right but I think what Kevin's asking is that like more impressive? If you go like "I married an American". Despite the ethnicity. The clout of Americanism.

**Kevin:** Is an American like a black belt.

**Zoya:** I got you.

**Kevin:** Is that a better one?

**Zoya:** Uh...I think that yeah probably most of the girls they will say wow, great, yeah. And they will be like jealous because...and they will ask if maybe your American husband has friends or whatever...because yeah...people like to look abroad and people like you know. People know that America is a great country and there's a lot of public relations about the great life here.

**Kevin:** Yes.

**Zoya:** You know a lot is on TV...you can see that everybody's like a celebrity when you see Hollywood movies.

**Kevin:** Who's the big celebrity in, I mean a big American that everyone in Russia likes?

**Andrea:** Yeah...good question.

**Zoya:** Ahh...I don't know. Inga, do you have some idea? [to Inga] Кто нам больше всего нравится в России из знаменитостей в Америке? (Which American celebrities are liked most in Russia?)

**Inga:** Some movie star?

**Andrea:** Yeah like Brad Pitt, Johnny Depp...

**Inga:** I like Jack Nicholson.

**Kevin:** Jack Nicholson? Wow you like older men!

**Andrea:** Oh whaaat? He's fat and fugly!

**Kevin:** No he's a legend, Andrea. Plus you know they could be getting the movies delayed. They may have just gotten the original Batman.

**Andrea:** Ahh!

**Kevin:** They may be looking at old Jack Nicholson.

**Zoya:** You know I think I got an answer. I like Ashton Kutcher.

**Andrea:** Oh he's cute.

**Kevin:** That's the kind of guy you would want to be with.

**Zoya:** Oh...you know...I like also older men.

**Kevin:** Older guys?

**Zoya:** Yeah, older guys.

**Kevin:** What I've learned or what I think is that...is it mostly older men that are looking for the Russian brides. I know it's a mix but I mean is it a lot of older guys?

**Zoya:** A lot of older guys. Mostly older yes. Because you know like young guys they date in America on American websites but this Russian one is like for more serious relations, for marriage and like young guys they're not ready for marriage. They like to date but you know meet once, twice, three times but not more. These people...

**Kevin:** There's no commitment to marriage. Because it sounds like both of you met a guy, you dated for a while, had sex, had a good time but didn't get married. So it's not like you meet someone, they fly over and you have to marry them right away.

**Zoya:** No. Of course not. But...

**Kevin:** I thought that's how it works. I thought they came.

**Andrea:** No. Nothing's written in stone.

**Kevin:** I didn't realize...So you meet a guy, you talk to him online maybe you talk to a few guys online, right?

**Zoya:** Yeah.

**Kevin:** And then you pick the one you like and then who flies...will they pay to fly you out?

**Zoya:** Er. Actually they fly to Russia to meet.

**Kevin:** They fly to Russia.

**Zoya:** Yes they fly to Russia.

**Inga:** It's necessary for the first time.

**Andrea:** Kevin you have to be affluent you can't just be broke. You have to have money to even do this whole thing.

**Kevin:** Right or have a buddy who's going to Russia you could catch a ride with.

**Andrea:** Well yeah but you still have to pay I'm sure.

**Kevin:** And then you come to Russia and then they meet just you or they meet everyone?

**Zoya:** Of course they tell that they come only for me but we know that they probably have ten more dates.

**Kevin:** Really?

**Andrea:** Right.

**Zoya:** Yeah, so.....

**Kevin:** So you're saying guys...you're saying American men are liars for sex.

**Zoya:** Not everybody but.

**Kevin:** No, they all are that's true! So they come to Russia. They meet you. Is there a beauty pageant? Is that right? A bikini contest where the guys get to see you or not?

**Zoya:** No, no...it's like some time they do these shows but we never participated with Inga in this kind of activities. We just...we just come. Agency Anastasia arranges like ten appointments for them with ten different girls. They meet the girl in a restaurant or wherever they decided to. And after meetings they choose pick one or two or three and then they continue communication. Maybe they flew the girl to the country where they live or they go to travel together if they like each other. So...

**Kevin:** How are Russian women shaved for the most parts, because it's cold there?

**Andrea:** Kevin?!

**Zoya:** Can you please repeat the question?

**Kevin:** Yeah, Andrea, maybe you can make that more clear.

**Andrea:** Wow...wow...how...what is the trend of shaving?

**Zoya:** We do waxing or...

**Andrea:** So nothing?

**Zoya:** ...or laser.

**Andrea:** Oh, God!

**Kevin:** Waxing or laser?

**Zoya:** Yeah it's new technology. You know the laser is very popular now.

**Kevin:** Because a lot of the women here that do the waxing are Russian, right?

**Andrea:** Yeah a lot of...I think actually, Kevin, that's very observant of you.

**Kevin:** Russian women come here for a better life and they spend eight hours a day pulling hair out of others women vaginas...

**Andrea:** Yeah.

**Kevin:** So stay in Russia.

**Andrea:** Hahaha!

**Kevin:** Ladies, I want to know if men are listening now and they're saying this sounds like a sweet deal. I want to go to Russia I want to meet a woman. I want to take her round the world, spoil her. What's the first step they have to do?

**Zoya:** The first step they need to go to the website AnastasiaDate.com and they need to register the profile. Then they can start sending letters to the girl that they like.

**Kevin:** Right.

**Zoya:** And then they can also use the Live Chat which I already mentioned. I like it a lot because you can see the person with video.

**Kevin:** Does a man ever on the Live Chat type like er...you know, sitting there..."please take off your shirt".

**Zoya:** No, no, no way, never...

**Kevin:** No, that doesn't happen.

**Andrea:** No it's on the up and up, Kev...

**Kevin:** But what do you wear for a Live Chat? I mean if you want to sex it up when a guy's looking at you, you want to look good, right? You wear something like this...a little pants suit.

**Zoya:** Yeah like Russian women always dress beautiful even like you know...we call it...

**Inga:** Try to stay night and day...try always to stay beautiful.

**Kevin:** Always beautiful?

**Zoya:** Yeah, always heels, always beautiful dresses. Make-up, hair...

**Andrea:** It's so bizarre to me! Like I hate...I hate getting ready, I hate going out. But it's something you guys just do on a daily basis.

**Zoya:** I love it!

**Andrea:** Why? I hate...

**Inga:** This is habit.

**Kevin:** It's a habit?

**Zoya:** Yes, this is habit...

**Kevin:** You learn at a young age in Russia that you put on heels before you leave the house.

**Zoya:** Sure.

**Kevin:** You make sure you laser that...you are lasered, or shaved or waxed.

**Zoya:** Yeah, manicure, your hair done, you have your make up and your costume, your dress beautiful and nice and ironed and clean.

**Kevin:** What about lingerie, sexy panties, the whole thing?

**Zoya:** Sure. Every girl likes it.

**Kevin:** That is nice.

**Andrea:** That's so weird to me.

**Kevin:** What part of Russia are both of you from?

**Zoya:** I'm from Saint Petersburg.

**Inga:** I'm from Moscow.

**Kevin:** And you...did you all meet through this website or were you friends?

**Zoya:** We just met like three days ago.

**Andrea:** Haha!

**Kevin:** Let me ask you this: do women...can women try to get a Russian bride? Like er...

**Andrea:** A lesbian?!!

**Kevin:** From a lesbian?

**Zoya:** I've never had this experience. Nobody sent me mail...

**Andrea:** Do...are Russian women as experimental as American women? Because I know most American women have hooked up with girls. How is it in Russia?

**Inga:** Maybe somebody, maybe.

**Andrea:** Like college.

**Inga:** I think that maybe.

**Zoya:** I think Russian women are more conservative.

**Andrea:** Really?

**Zoya:** Yeah. Because for many years we had the Soviet Union.

**Kevin:** Yeah.

**Andrea:** So you couldn't hook up like...

**Kevin:** No, no lesbianism during the Soviet Union!

**Zoya:** Yeah, no lesbians.

**Andrea:** Really? I think I would kill myself.

**Kevin:** That's...that was Gorbachev's policy, right?

**Inga:** Now Russia is more open. Now a different situation. We have a lot of TV programs about sex.

**Kevin:** Lot of sex. Now you could just...

**Inga:** Now yes.

**Kevin:** Now you can just have sex in the street!

**Andrea:** Hahaha

**Inga:** Not maybe on the street but...

**Andrea:** But it's more open.

**Kevin:** I understand because when Gorbachev was there no one wanted to even look at that...that thing on his head and then it would not have been...

**Andrea:** It was a birthmark.

**Kevin:** Yeah, but what I'm saying is it would have been too boring for sex because you'd see that all the time on the billboard and you'd say I don't want to have sex. Nowadays it looks as if the guy has spilt wine on his face.

**Andrea:** Hahaha!

**Kevin:** Right? Is that what you would think to yourselves?

**Zoya:** Um probably, yeah.

**Kevin:** What is a deal breaker? When an American man writes you a letter...or anyone, any country really. They write you a letter. What's something that you'd see and say now I'm interested...

**Andrea:** Or oh no, not that guy.

**Zoya:** If you'll write simple things. Like sometimes you can see that the person has done copy and paste and they forget to change your name. So...lets say they put "hello, Marina..."

**Kevin:** Oh...they resend the same letters.

**Zoya:** Sometimes they do the copy-paste...

**Andrea:** How lazy!

**Kevin:** Russian women do not want to be called by the wrong name apparently. That's a good thing we've learned.

**Zoya:** Sure.

**Andrea:** That's so nuts.

**Kevin:** I would like to tell you something. That I would write to you.

**Andrea:** Please, Kevin.

**Kevin:** And you would tell me if it's good or not: "I would like to settle myself in the entrance of your core. And then drive myself inside of you. One deep powerful thrust. One potent male stroke that fills you..."

**Zoya:** No.

**Kevin:** No, that's not good. Not for the first time.

**Zoya:** Not for me. I mean somebody maybe would like it but not for me.

**Andrea:** Kevin!

**Kevin:** I read that off of the romantic novel website we run earlier. I would not actually write that. I would not write that.

**Andrea:** No, no...

**Kevin:** So it's just get to know each other and then...are you back to Russia soon or are you staying here in America?

**Zoya:** We're staying...I'm staying until the 28<sup>th</sup> of April. April 28. And er...

**Inga:** I'm soon come back to Russia.

**Kevin:** You're back to Russia?

**Inga:** Yeah. This Saturday...

**Kevin:** Is that set...when you go back to Russia is that like losing? Do you feel like you've lost?

**Inga:** No.

**Zoya:** No.

**Andrea:** So did you...are you here to see men that you met online or what is your purpose for being here?

**Kevin:** Just to meet us?

**Zoya:** To meet you of course. And thank you so much for inviting us.

**Andrea:** Of course. Our pleasure. You girls are awesome...but did you come here to meet guys that you met online?

**Zoya:** Yeah we have some dates.

**Andrea:** So they flew you out?

**Zoya:** No it's Anastasia...we came with Anastasia.

**Andrea:** They must be rich.

**Kevin:** How did the dates go?

**Zoya:** The dates...we are going to have dates later.

**Kevin:** Later today?

**Zoya:** Later this week.

**Kevin:** Oh where're you going? Do you know?

**Andrea:** Yeah, let's crash them!

**Zoya:** I don't know. It's a surprise.

**Kevin:** Restaurant? Hotel?

**Zoya:** Yes probably it will be some restaurant.

**Kevin:** Hotel?

**Zoya:** Restaurant, yeah.

**Kevin:** What happens?

**Andrea:** Kevin they're not hookers, they're brides!

**Kevin:** Well yeah, I understand that but I go to a hotel sometimes...when I'm hooking!

**Andrea:** Haha! He's teasing.

**Kevin:** Ladies, when you go on a date and it's not good. Like the guy is boring you...

**Zoya:** Yes...

**Kevin:** Can you just say I'm out of here, please out.

**Zoya:** No, we can't say this.

**Kevin:** You sit through the date?

**Andrea:** You have to be.....

**Zoya:** You have to be polite and you have to spend at least like one and a half hours probably something like that.

**Andrea:** One and a half hours?

**Inga:** I try to call my friend and say about call me back...

**Andrea:** Yeah, save me. A 911 call.

**Kevin:** You do that in Russia too. You say call me and say there's an emergency, right? Is that what you say?

**Andrea:** Yes.

**Zoya:** Actually I didn't have this situation because before you met with somebody you're exchanging mails, you go with the Live Chat and then they call you. They call through the agency so you can hear the voice, you can see the picture. You've seen the person already with the camera.

**Andrea:** Right...

**Zoya:** How can you be bored or something if you've been communicating before? It can happen if you just maybe exchange one or two emails and then you go for the date, you never seen the person

**Kevin:** Right.

**Zoya:** So...but usually I don't go if I haven't...

**Kevin:** Right, you gotta see them. Physical is also important.

**Zoya:** Yeah.

**Kevin:** What do you think of this chocolate face man over here? Is that big in Russia? Do you...have you ever seen one of these before?

**Zoya:** Of course, we have different people in Russia too.

**Andrea:** You have black people in Russia?

**Inga:** Yes.

**Zoya:** Yes.

**Inga:** Mostly students...We have a lot of universities, people from all are welcome.

**Kevin:** If you met a guy online and he showed up on a date and he looked like him would that be okay?

**Zoya:** Erm...for somebody yes.

**Kevin:** Not for you?

**Zoya:** I mean...Yeah...because I have another idea about my ideal man.

**Kevin:** And it's not this one?

**Zoya:** He's too young.

**Kevin:** Right.

**Andrea:** Oooh!

**Zoya:** He's too young.

**Andrea:** I think he's...

**Kevin:** Young must be the Russian word for black.

**Andrea:** Aha. You guys are the same age?

**Kevin:** No.

**Andrea:** Yeah.

**Kevin:** Really?

**Andrea:** Yeah.

**Kevin:** Jeez, look at that. Inga, how old are you?

**Inga:** How do you think?

**Kevin:** Er.....22.

**Inga:** 22...aha...

**Kevin:** Are you 22? No, how...Andrea, am I right? I don't know. Does it say?

**Andrea:** I know how old she is. But it's improper to ask.

**Kevin:** What do you mean it's improper to ask? I gotta find out the information here...

**Andrea:** Russians are more polite than we are...

**Kevin:** I have to make sure she's in my wheelhouse...22? 23?

**Andrea:** She's too old for you, Kevin!

**Kevin:** No! really?

**Andrea:** Yeah.

**Kevin:** Oh...she's over 18?

**Andrea:** Haha. She's over 24.

**Kevin:** Oh...too bad...you look good. You ladies look nice.

**Zoya:** Thank you.

**Kevin:** Anyone would be lucky to make you their wives.

**Andrea:** I know. Good luck.

**Kevin:** Do you cook? Can you cook?

**Zoya:** Yes sure, every Russian woman can cook.

**Kevin:** What is your specialty?

**Zoya:** My specialty is Russian pancakes with the caviar...

**Andrea:** Ooh. That's my favorite!

**Kevin:** We should have made her cook today! How about you?

**Inga:** I like cooking Borsht.

**Kevin:** Borsht? What's that?

**Inga:** It's more of a Ukrainian dish.

**Andrea:** Yeah.

**Inga:** It's a soup.

**Andrea:** You'd love Borsht. Cold or hot?

**Inga:** Hot. Hot in winter time and cold in summer time.

**Andrea:** Girl you're speaking my language...

**Kevin:** Ladies I just made a little gazpacho in my parents.

**Andrea:** Ahaha!

**Inga:** Gazpacho?

**Zoya:** Andrea, we invite you to Russia.

**Andrea:** I would love to come.

**Zoya:** Yeah, we will cook for you. You can stay in Moscow with Inga and in St. Petersburg with me, you're welcome.

**Andrea:** Done.

**Kevin:** Why would you want to invite more women to Russia? There's too many women there already!

**Zoya:** But...

**Andrea:** Have you seen me Kevin?

**Kevin:** Yeah, I know but they don't want more competition.

**Andrea:** There is no competition.

**Kevin:** You should invite me and the chocolate face guy to Russia.

**Zoya:** Okay, sure.

**Other guest:** Let's go, Kev!

**Kevin:** Can he stay with you?

**Zoya:** Everybody can stay with me, you're welcome .

**Andrea:** Hahaha! Oh Zoya, I love you.

**Kevin:** The funny thing is he'll actually show up there before he's never turned down a free offer ever. So he'll just knock on the door in a few weeks.

**Other guest:** Who's paying for the flights out there?

**Andrea:** Get Anastasia!

**Kevin:** He'll say I haven't eaten in three weeks, where's my Borsht? Ladies, thank you. If you want check out more, and find out how you can get your own Russian bride or meet these ladies at the website AnastasiaDate.com. So you can go there.

**Andrea:** And this is the right way to do it.

**Kevin:** Because there's a lot of ways that are shady, right?

**Andrea:** This is the good way.

**Kevin:** They're trying to say there's a real way to do that because some ways it's run by the mob, right? The mafia's involved?

**Zoya:** No. No mafia.

**Kevin:** Not with you, but some places, some ways, yes?\

**Zoya:** No, it's an old way of thinking about Russia.

**Inga:** Can I say, excuse me. One time, Russian president, somebody asked about Mafia. And he answered "Mafia?" What is it mafia? Mafia this is Italian word. Not Russian."

**Kevin:** Oh...take that!

**Andrea:** Hahaha!

**Kevin:** And that's when you started banging the Italian guy, isn't it?

**Inga:** Maybe.

**Kevin:** Yeah that's right she likes the bad boys...

**Andrea:** Hahaha... Awesome!

**Kevin:** Ladies, thank you. Safe travels back to Russia.

**Zoya:** Thank you so much.

**Inga:** Thank you.

**Andrea:** Yes, thanks for coming in.

**Kevin:** I think we just got married officially. I think that was part of the deal.
